DRAFT v.4

DR. LYNN MEHL NAMED 2016-2017 PRESIDENT OF PASADENA SHOWCASE HOUSE FOR THE ARTS

(SEPTEMBER 19, 2016) PASADENA, CA-- Pasadena Showcase House for the Arts (PSHA), which supports local music education with one of the nation's oldest and most successful house and garden tours, is delighted to announce that Dr. Lynn Mehl has been named its president. Mehl, a professor of kinesiology and psychology at Occidental College and ardent community volunteer, will lead the nearly 300-member non-profit organization for its 2016-2017 year. Through broad community support during the past 52 years of its annual Pasadena Showcase House of Design, PSHA has donated more than \$20 million to community music education programs.

"I am privileged to serve as president of this dynamic organization," says Mehl. "Our membership is comprised of an amazing group of dedicated and diverse women and men bound together with common goals. As we look to the future, we renew our commitment to support music programs in the San Gabriel Valley, foster and fund programs that nurture the study and appreciation of music, and ensure that music is available to a wide range of audiences in addition to furthering the work of the Los Angeles Philharmonic."

Mehl personifies the all-volunteer organization's skilled membership. Her professional credentials earned during her 39 years at Occidental College include diverse experiences such as chairing the Kinesiology Department, being one of the first women in the country to oversee a collegiate football program as Director of Athletics, and coaching the women's tennis team to the first NCAA Division III National Tennis Championship.

Her dedication to volunteerism includes serving the Assistance League as president of the Pasadena chapter and member of its national leadership committee. While a Michigan resident, she chaired the local Cancer Society's Relay for Life and co-chaired the state's second-largest Christmas parade. During her 10 years of PSHA membership, Mehl has led numerous committees, including Benefit Chair of the 2015 Pasadena Showcase House.

Mehl's wide-ranging accomplishments even include earning a second-degree black belt in Shotokan karate.

The 2017 Pasadena Showcase House for the Arts will be open from April 23 to May 21, 2017. Tickets go on sale November 2, 2016. To purchase tickets or for more information about PSHA, visit www.pasadenashowcase.org.
